We may use software tools to measure and collect session information, including page response times, length of visits to certain pages, page interaction information, and methods used to browse away from the page.

Please read our Cookies Policy published separately on our website.

- 3. Other terms used in this Notice shall have the meanings given to them in the PDPA (where the context so permits).

COLLECTION, USE AND DISCLOSURE OF PERSONAL DATA

- 4. We generally do not collect your personal data unless
 - (a) it is provided to us voluntarily by you directly or via a third party who has been duly authorised by you to disclose your personal data to us (your “authorised representative”) after
 - (i) you (or your authorised representative) have been notified of the purposes for which the data is collected, and
 - (ii) you (or your authorised representative) have provided written consent to the collection and usage of your personal data for those purposes, or
 - (b) collection and use of personal data without consent is permitted or required by the PDPA or other laws. We shall seek your consent before collecting any additional personal data and before using your personal data for a purpose which has not been notified to you (except where permitted or authorised by law).

5. We may collect and use your personal data for any or all of the following purposes:
- (a) performing obligations during or in connection with our provision of the goods and/or services requested by you,
 - (b) verifying your identity,
 - (c) responding to, handling, and processing queries, requests, applications, complaints, and feedback from you,
 - (d) managing your relationship with us,
 - (e) processing payment or credit transactions,
 - (f) providing you with ongoing customer assistance and technical support,
 - (g) sending marketing information about our goods or services including notifying you of our marketing events, initiatives and promotions, lucky draws, membership and rewards schemes and other promotions;
 - (h) creating aggregated statistical data and other aggregated and/or inferred non-personal Information, which we or our business partners may use to provide and improve our respective services,
 - (i) complying with any applicable laws, regulations, codes of practice, guidelines, or rules, or to assist in law enforcement and investigations conducted by any governmental and/or regulatory authority,
 - (j) any other purposes for which you have provided the information,
 - (k) transmitting to any unaffiliated third parties, including our third-party service providers and agents, and relevant governmental and/or regulatory authorities, whether in Singapore or abroad, for the aforementioned purposes, and
 - (l) any other incidental business purposes related to or in connection with the above.
6. We may disclose your personal data:
- (a) where such disclosure is required for performing obligations during or in connection with our provision of the goods or services requested by you; or
 - (b) to third party service providers, agents, and other organisations we have engaged to perform any of the functions listed in clause 5 above for us.

7. The purposes listed in the above clauses may continue to apply even in situations where your relationship with us (for example, pursuant to a contract) has been terminated or altered in any way, for a reasonable period thereafter (including, where applicable, a period to enable us to enforce our rights under any contract with you).

WITHDRAWING YOUR CONSENT

8. The consent that you provide for the collection, use and disclosure of your personal data will remain valid until such time it is being withdrawn by you in writing. You may withdraw consent and request us to stop using and/or disclosing your personal data for any or all of the purposes listed above by submitting your request in writing or via email to our Data Protection Officer at the contact details provided below.
9. Upon receipt of your written request to withdraw your consent, we may require reasonable time (depending on the complexity of the request and its impact on our relationship with you) for your request to be processed and for us to notify you of the consequences of us acceding to the same, including any legal consequences which may affect your rights and liabilities to us. In general, we shall seek to process your request within ten (10) business days of receiving it.
10. Whilst we respect your decision to withdraw your consent, please note that depending on the nature and scope of your request, we may not be in a position to continue providing our goods or services to you and we shall, in such circumstances, notify you before completing the processing of your request. Should you decide to cancel your withdrawal of consent, please inform us in writing in the manner described in clause 8 above.
11. Please note that withdrawing consent does not affect our right to continue to collect, use and disclose personal data where such collection, use and disclose without consent is permitted or required under applicable laws.

ACCESS TO AND CORRECTION OF PERSONAL DATA

12. If you wish to make
 - (a) an access request for access to a copy of the personal data which we hold about you or information about the ways in which we use or disclose your personal data, or
 - (b) a correction request to correct or update any of your personal data which we hold about you, you may submit your request in writing or via email to our Data Protection Officer at the contact details provided below.

13. Please note that a reasonable fee may be charged for an access request. If so, we will inform you of the fee before processing your request.
14. We will respond to your request as soon as reasonably possible. Should we not be able to respond to your request within thirty (30) days after receiving your request, we will inform you in writing within thirty (30) days of the time by which we will be able to respond to your request. If we are unable to provide you with any personal data or to make a correction requested by you, we shall generally inform you of the reasons why we are unable to do so (except where we are not required to do so under the PDPA).

PROTECTION OF PERSONAL DATA

15. To safeguard your personal data from unauthorised access, collection, use, disclosure, copying, modification, disposal or similar risks, we have introduced appropriate administrative, physical and technical measures such as up-to-date antivirus protection, encryption and the use of privacy filters to secure all storage and transmission of personal data by us, and disclosing personal data both internally and to our authorised third party service providers and agents only on a need-to-know basis.
16. You should be aware, however, that no method of transmission over the Internet or method of electronic storage is completely secure. While security cannot be guaranteed, we strive to protect the security of your information and are constantly reviewing and enhancing our information security measures.

ACCURACY OF PERSONAL DATA

17. We generally rely on personal data provided by you (or your authorised representative). In order to ensure that your personal data is current, complete and accurate, please update us if there are changes to your personal data by informing our Data Protection Officer in writing or via email at the contact details provided below.

RETENTION OF PERSONAL DATA

18. We may retain your personal data for as long as it is necessary to fulfil the purpose for which it was collected, or as required or permitted by applicable laws.
19. We will cease to retain your personal data, or remove the means by which the data can be associated with you, as soon as it is reasonable to assume that such retention no longer serves the purpose for which the personal data was collected, and is no longer necessary for legal or business purposes.

TRANSFERS OF PERSONAL DATA OUTSIDE OF SINGAPORE

20. Our company is hosted on our international service provider's platform. They provide us with the online platform that allows us to sell our products and services to you. Your data may be stored through their data storage, databases, and third-parties' general applications outside the territory of Singapore. They store your data on secure servers behind a firewall. Our service provider takes steps to ensure that your personal data continues to receive a standard of protection that is at least comparable to that provided under the PDPA.

All direct payment gateways offered by our service provider and used by our company adhere to the standards set by PCI-DSS as managed by the PCI Security Standards Council, which is a joint effort of brands like Visa, MasterCard, American Express and Discover. PCI-DSS requirements help ensure the secure handling of credit card information by our store and its service providers.
